

Project Status Report

① Project Information

Project Name

Project Exclusive

Project Manager

Mr. Marcus Frost

Reporting Period From

11/08/2021

To

12/08/2021

Σ Project Status Summary

Completed Work

- 1) Literature review and defining questions
- 2) Setting a hypothesis and research design
- 3) Data collection and preparation
- 4) Production of basic summary reports

Planned Work

Action Items	Status	Due
Analyze and transform variables, random sampling	On Track	12/15/2021
Model selection and development	Not Started	12/21/2021
Validating models and optimizing	Not Started	12/23/2021
Model implementation	Not Started	01/15/2022
Monitoring and performance tracking	On Track	01/30/2022

+ Project Health
